**CRIMO IS JEWISH? Anonymous** ID:gvdudrcd Tue 12 Jul 2022 00:00:07 No.386376231 View Reply Original Report

I think it's possible. I found a tagged pic of his sister (Lynette Pesina) where she is in Israel on a birth right tour.

Not trying to put forth conspiracy theories and it doesn't matter to me if he is really a gentile. The whole story is bizarre though.

Also why does the sister use Pesina online and not Crimo? Why would she not use her father's name? Is she not his daughter? Or does she have something to hide?

Because her kike mother comes from either Posner or Posen, Ashkenazi Jews, the tribe respects the mothers lineage, therefore to have an easier time showing her loxism to her fellow kikes she kept her mother's name, simple as

Creepy very creepy. Also, I just know so many Italian Americans. I know very few would be that heavily into the new age. Jew broads on the other hand are heavily into that stuff on the north shore.

I decided to drive to Highland today and it was weird vibes. Creepy. Crimo's house doesn't look nice at all. Like no landscaping or anything.

Yes, the surname is probably really Posner. I also know there was a small Jewish community in Rome. Likewise in Spain. Possibly Sephardic Jews?
